SCC hosts an exciting community celebration of song featuring guest clinician Charles Palella

Students—invited by their music teachers grades 4-8—join with SCC in a fun and inspirational day of singing that ends with a festive concert open to the public.

With a track of activities for teachers and one for students, the day provides networking, shared learning, new ideas and fun for students from across Central New York!

## Festival Concert Tickets

**Additional concert tickets are available for purchase at the SCC office. To order your tickets, please call 315-478-0582!**

I grant the Syracuse Children's Chorus permission to use my child's name and photo without compensation in connection with any articles or press releases related to this event. I also agree to hold harmless any persons acting on behalf of the Syracuse Children's Chorus from any liability arising from the use of said productions.
